Justice Africa Sudan:

- call for an immediate and thorough investigation into these atrocities and demand that those responsible be held accountable for their crimes.
- We urge all warring parties to uphold their commitments to international humanitarian law and to respect the protection of civilians. The targeting of innocent men, women, and children is unacceptable and must be condemned in the strongest terms.
- We demand justice for the victims and their families, and we call on the international community to take all necessary measures to prevent further atrocities and ensure accountability for those who commit such crimes.
